administer the policemen's and firemen's police officers' and fire fighters' retirement

Board of trustees or Board means the board of trustees created in this division to

 disability payments or other payments from the plan at least as much as the contributions made by the participant to the pension plan from his or her wages, so much which is less than the participant's contribution, without interest, as shall not have been drawn out shall be payable to the estate of the deceased participant.

Section 15 - That Chapter 2, Article VI, Division 4, Policemen's and Firemen's Pension Plan, Section 2-457, Contributions by city, set out below, is hereby amended as follows:

Sec. 2-457. Contributions by city.

(a) Tax levy authorized. A tax not to exceed 1.5 mill shall be levied on each dollar of the value of all taxable property annually assessed in the city, as the value appears on the tax books, which sum shall be earmarked in a separate fund and set aside and made a part of the policemen's and firemen's retirement fund by the director of finance; provided that such sum shall not be used for or devoted to any purpose other than specified in this division. , or;

(b) Limitation. Notwithstanding any other provision of this Code to the contrary, commencing on July 1, 1991, any contribution from any source the city shall make to fund liabilities shall not exceed the following percentage of the salaries of all active police officers and firefighters to the plan; for the year commencing on July 14, 1991, until June 30, 1992, up to 13.23 percent. In no event shall the city's contribution to the pension system following the fiscal year ending June 30, 1992. exceed 16.00 percent of the total salaries actually paid to active police officers and firefighters. If such city and employee contribution shall not be sufficient to fully provide for the combined required annual contribution as actuarially determined by the city's actuary, then additional funding may be obtained only from increased employee contributions or through employee reduction in benefits to be paid to future retirees. Any contribution by the city under this subsection shall be made each pay period at the same time as the salaries of active police officers and firefighters are paid. Alternatively, the City may fund on an actuarial basis, the actual costs of the plan over and above the amount of the participant contributions and the income received from the investments of the fund assets, subject to the discretion of the City Council to set the actual City contribution rate as a part of the budget approval process for a particular budget year.

Section 16 - That Chapter 2, Article VI, Division 4, Policemen's and Firemen's Pension Plan, Section 2-459, Authority of board to delegate investment power, subsection (a), set out below, is hereby amended as follows:
